

JUL 6 1950

# Boston Medical Library Association,

5 HAMILTON PLACE, BOSTON.

JULY 30, 1878.

THE undersigned, appointed by the MASSACHUSETTS MEDICAL SOCIETY as a committee to report upon the forthcoming revision of the UNITED STATES PHARMACOPŒIA, appeal to each Fellow of the Society to respond to the following interrogatories at as early a date as may be possible; in order that the needs and wishes of our local physicians may be incorporated in the very important revision of our national pharmacopœia.

1. Please erase any of the following drugs, or any of the pharmaceutical preparations, which in your experience seem useless as therapeutical agents.

**A**  
 Acetate of Lead.  
 Acetate of Morphia.  
 Acetate of Potassium.  
 Acetate of Sodium.  
 Acetate of Zinc.  
 Acetated Tincture of Opium.  
 Acetic Acid.  
 Acetic Extract of Colchicum.  
 Aconite Leaves.  
 Aconite Plaster.  
 Aconite Root.  
 Aconitia.  
 Adhesive Plaster.  
 Alcohol.  
 Alcoholic Extract of Belladonna.  
 Alcoholic Extract of Conium.  
 Alcoholic Extract of Hyoscyamus.  
 Allspice (Pimento).  
 Almond Mixture.  
 Alum.  
 Alum-root.  
 American Centaury.  
 American Columbo.  
 American Hellebore.  
 American Hemp.  
 American Pennyroyal.  
 American Senna.  
 Ammoniac.  
 Ammoniac Mixture.  
 Ammoniac Plaster.  
 Ammoniated Copper.  
 Ammoniated Mercury.  
 Ammoniated Tincture of Guaiac.

Ammoniated Tincture of Valerian.  
 Amylic Alcohol.  
 Angustura.  
 Animal Charcoal.  
 Anise.  
 Anise Water.  
 Antimonial Ointment.  
 Antimonial Plaster.  
 Antimonial Wine.  
 Aperient Effervescing (Seidlitz) Powders.  
 Aralia.  
 Arnica.  
 Arnica Plaster.  
 Aromatic Confection.  
 Aromatic Powder.  
 Aromatic Spirit of Ammonia.  
 Aromatic Sulphuric Acid.  
 Aromatic Syrup of Rhubarb.  
 Arrow-root.  
 Arseniate of Sodium.  
 Arsenic.  
 Arsenious Acid.  
 Assafetida.  
 Assafetida Mixture.  
 Assafetida Plaster.  
 Atropia.  
 Azedarach.  
**B**  
 Balm.  
 Balsam of Fir.  
 Balsam of Peru.  
 Balsam of Tolu.  
 Barbadoes Aloes.  
 Barberry.

Bark of Cotton Root.  
 Bark of Pomegranate Root.  
 Barley.  
 Basilicon Ointment.  
 Bay-rum.  
 Bean of St. Ignatius.  
 Bebeeru Bark.  
 Belladonna Leaves.  
 Belladonna Plaster.  
 Belladonna Root.  
 Benne.  
 Benne Oil.  
 Benzoate of Ammonium.  
 Benzoic Acid.  
 Benzoin.  
 Bicarbonate of Potassium.  
 Bicarbonate of Sodium.  
 Bichromate of Potassium.  
 Bismuth.  
 Bitartrate of Potassium.  
 Bitter Almond.  
 Bitter Almond Water.  
 Bitter Orange Peel.  
 Bitter Polygala.  
 Bittersweet.  
 Black Alder.  
 Black Hellbore.  
 Black Mustard.  
 Black Oak.  
 Black Oxide of Manganese.  
 Black Pepper.  
 Black Snakeroot (Cimicifuga).  
 Blackberry.  
 Bloodroot.  
 Blue Flag.  
 Blue Gentian.

Bone.  
 Borate of Sodium (Borax).  
 Brandy.  
 Bromide of Ammonium.  
 Bromide of Potassium.  
 Bromine.  
 Broom.  
 Buchu.  
 Bugle-weed.  
 Burdock.  
 Burgundy Pitch.  
 Burgundy Pitch Plaster.  
 Butterfly-weed.  
 Butternut.

## C

Cadmium.  
 Calabar Bean.  
 Calamus.  
 Calomel.  
 Camphor.  
 Camphor Water.  
 Camphorated Tincture of Opium.  
 Canada Fleabane.  
 Canada Pitch.  
 Canada Pitch Plaster.  
 Canada Snakeroot.  
 Canada Turpentine.  
 Canella.  
 Canna.  
 Cantharidal Collodion.  
 Cantharides.  
 Cantharides (Blistering) Cerate.  
 Cantharides Paper.  
 Cape Aloes.  
 Capsicum.  
 Caraway.  
 Carbolic Acid.  
 Carbolic Acid Water.  
 Carbonate of Ammonium.  
 Carbonate of Barium.  
 Carbonate of Lead.  
 Carbonate of Lithium.  
 Carbonate of Magnesium.  
 Carbonate of Potassium.  
 Carbonate of Sodium.  
 Carbonic Acid Water.  
 Cardamom.  
 Carrot Seed.  
 Cascarilla.  
 Castor.  
 Castor Oil.  
 Catechu.  
 Catnep.  
 Cerate.  
 Cerate of Carbonate of Zinc.  
 Cerate of Extract of Cantharides.  
 Cerate of Subacetate of Lead.  
 Cevadilla.  
 Chalk.  
 Chalk Mixture.

Chamomile.  
 Charcoal.  
 Chesnut.  
 Chlorate of Potassium.  
 Chloride of Ammonium.  
 Chloride of Barium.  
 Chloride of Calcium.  
 Chloride of Iron.  
 Chloride of Lime.  
 Chloride of Sodium.  
 Chloride of Zinc.  
 Chlorinated Lime.  
 Chlorine Water.  
 Chloroform Mixture.  
 Chromic Acid.  
 Cinchona.  
 Cinnamon.  
 Cinnamon Water.  
 Citrate of Iron.  
 Citrate of Iron & Ammonium.  
 Citrate of Iron and Quinia.  
 Citrate of Iron and Strychnia.  
 Citrate of Lithium.  
 Citrate of Potassium.  
 Citric Acid.  
 Clarified Honey.  
 Cloves.  
 Cochineal.  
 Cod-liver Oil.  
 Coffee.  
 Colchicum Root.  
 Colchicum Seed.  
 Collodion.  
 Collodion with Cantharides (Cantharidal Collodion).  
 Colocyath.  
 Columbo.  
 Commercial Bicarbonate of Sodium.  
 Commercial Chloroform.  
 Commercial Oxide of Zinc.  
 Common Silkweed.  
 Compound Cathartic Pills.  
 Compound Decoction of Sarsaparilla.  
 Compound Extract of Colocyath.  
 Compound Fluid Extract of Sarsaparilla.  
 Compound Galbanum Plaster.  
 Compound Infusion of Catechu.  
 Compound Infusion of Flaxseed.  
 Compound Infusion of Gentian.  
 Compound Infusion of Rose.  
 Compound Iodine Ointment.  
 Compound Mixture of Iron.  
 Compound Mixture of Liquorice.  
 Compound Pill of Soap.  
 Compound Pills of Antimony.  
 Compound Pills of Galbanum.

Compound Pills of Iron.  
 Compound Pills of Rhubarb.  
 Compound Pills of Squill.  
 Compound Powder of Ipecacuanha.  
 Compound Powder of Jalap.  
 Compound Powder of Rhubarb.  
 Compound Resin Cerate.  
 Compound Solution of Iodine.  
 Compound Spirit of Ether.  
 Compound Spirit of Juniper.  
 Compound Spirit of Lavender.  
 Compound Syrup of Sarsaparilla.  
 Compound Syrup of Squill.  
 Compound Tincture of Benzoin.  
 Compound Tincture of Cardamom.  
 Compound Tincture of Cinchona.  
 Compound Tincture of Gentian.  
 Compound Tincture of Iodine.  
 Confection of Opium.  
 Confection of Orange Peel.  
 Confection of Rose.  
 Confection of Senna.  
 Conium Leaves.  
 Conium Seed.  
 Copaiba.  
 Coriander.  
 Corrosive Chloride of Mercury (Corrosive Sublimate).  
 Cotton.  
 Cowhage.  
 Cranesbill.  
 Creosote.  
 Creosote Water.  
 Croton Oil.  
 Crowfoot.  
 Cube.  
 Cyanide of Mercury.  
 Cyanide of Potassium.  
 Cyanide of Silver.  
 Cypripedium.

## D

Dandelion.  
 Decoction of Barley.  
 Decoction of Bittersweet.  
 Decoction of Dogwood.  
 Decoction of Iceland Moss.  
 Decoction of Logwood.  
 Decoction of Pipsissewa.  
 Decoction of Red Cinchona.  
 Decoction of Seneca.  
 Decoction of Uva Ursi.  
 Decoction of White Oak.  
 Decoction of Yellow Cinchona.  
 Deodorized Tincture of Opium.  
 Digitalin.

Digitalis.  
Diluted Acetic Acid.  
Diluted Alcohol.  
Diluted Hydrocyanic Acid.  
Diluted Muriatic Acid.  
Diluted Nitric Acid.  
Diluted Nitromuriatic Acid.  
Diluted Phosphoric Acid.  
Diluted Solution of Subacetate of Lead.  
Diluted Sulphuric Acid.  
Distilled Vinegar.  
Distilled Water.  
Dogs-bane.  
Dogwood.  
Dover's Powder.  
Dried Alum.  
Dried Carbonate of Sodium.  
Dried Sulphate of Iron.

**E**

Effervescing (Soda) Powders.  
Egg.  
Elaterium.  
Elder.  
Elecampane.  
Ergot.  
Essence of Lemon.  
Essence of Peppermint.  
Essence of Spearmint.  
Ether.  
Ethereal Oil.  
Expressed Oil of Almond.  
Extract of Aconite.  
Extract of American Hemp.  
Extract of Arnica.  
Extract of Belladonna.  
Extract of Bittersweet.  
Extract of Black Hellebore.  
Extract of Butternut.  
Extract of Calabar Bean.  
Extract of Cinchona.  
Extract of Colocynth.  
Extract of Conium.  
Extract of Dandelion.  
Extract of Digitalis.  
Extract of Gentian.  
Extract of Hyoscyamus.  
Extract of Ignatia.  
Extract of Indian Hemp.  
Extract of Jalap.  
Extract of Logwood.  
Extract of May-Apple.  
Extract of Nux Vomica.  
Extract of Opium.  
Extract of Quassia.  
Extract of Rhatany.  
Extract of Rhubarb.  
Extract of Seneka.  
Extract of Stramonium Leaves.  
Extract of Stramonium Seed.  
Extract of Valerian.

**F**

False Sarsaparilla.  
Fennel.  
Fennel Water.  
Ferrocyanide of Iron.  
Fever-root.  
Fig.  
Flaxseed.  
Flaxseed Meal.  
Flaxseed Oil.  
Fleabane.  
Flesh-colored Asclepias.  
Flexible Collodion.  
Florentine Orris.  
Fluid Extract of American Hellebore.  
Fluid Extract of Belladonna Root.  
Fluid Extract of Bittersweet.  
Fluid Extract of Blackberry.  
Fluid Extract of Buchu.  
Fluid Extract of Canada Erigeron (Fleabane).  
Fluid Extract of Cimicifuga.  
Fluid Extract of Cinchona.  
Fluid Extract of Colchicum Root.  
Fluid Extract of Colchicum Seed.  
Fluid Extract of Columbo.  
Fluid Extract of Conium Seed.  
Fluid Extract of Cotton Root.  
Fluid Extract of Cubeb.  
Fluid Extract of Dandelion.  
Fluid Extract of Digitalis.  
Fluid Extract of Dogwood.  
Fluid Extract of Ergot.  
Fluid Extract of Gentian.  
Fluid Extract of Geranium.  
Fluid Extract of Ginger.  
Fluid Extract of Hydrastis.  
Fluid Extract of Hyoscyamus.  
Fluid Extract of Ipecacuanha.  
Fluid Extract of Liquorice Root.  
Fluid Extract of Lupulin.  
Fluid Extract of Matico.  
Fluid Extract of Mezereon.  
Fluid Extract of Pareira Brava.  
Fluid Extract of Pipsissewa.  
Fluid Extract of Rhatany.  
Fluid Extract of Rhubarb.  
Fluid Extract of Sarsaparilla.  
Fluid Extract of Savine.  
Fluid Extract of Seneka.  
Fluid Extract of Senna.  
Fluid Extract of Serpentaria.  
Fluid Extract of Spigelia.  
Fluid Extract of Spigelia and Senna.  
Fluid Extract of Squill.

Fluid Extract of Stillingia.  
Fluid Extract of Uva Ursi.  
Fluid Extract of Valerian.  
Fluid Extract of Wild-cherry.  
Fluid Extract of Yellow Jasmine.  
Frostwort.  
Fused Nitrate of Silver.  
Fusel Oil.

**G**

Galbanum.  
Gallic Acid.  
Gamboge.  
Garlic.  
Gaultheria.  
Gentian.  
Geranium.  
German Chamomile.  
Gillenia.  
Ginger.  
Ginseng.  
Glacial Phosphoric Acid.  
Glycerin.  
Glycerite of Borate of Sodium.  
Glycerite of Carbolic Acid.  
Glycerite of Gallic Acid.  
Glycerite of Tannic Acid.  
Glycerite of Tar.  
Golden-rod.  
Goldthread.  
Green Iodide of Mercury.  
Guaiac.  
Guaiacum Wood.  
Gum Arabic.  
Gutta-percha.

**H**

Hardhack.  
Hemlock Leaves.  
Hemlock Pitch.  
Hemlock Pitch Plaster.  
Honey.  
Honey of Borate of Sodium.  
Honey of Rose.  
Hops.  
Horehound.  
Horsemint.  
Hydrastis.  
Hydrate of Chloral.  
Hydrated Oxide of Iron.  
Hyoscyamus Leaves.  
Hyoscyamus Seed.  
Hypophosphite of Calcium.  
Hypophosphite of Iron.  
Hypophosphite of Potassium.  
Hypophosphite of Sodium.  
Hyposulphite of Sodium.

**I**

Iceland Moss.  
Ignatia.  
Impure Carbolic Acid.

Impure Carbonate of Potassium.

Indian Hemp.  
 Infusion of Angustura.  
 Infusion of Buchu.  
 Infusion of Capsicum.  
 Infusion of Cascarella.  
 Infusion of Chamomile.  
 Infusion of Cloves.  
 Infusion of Columbo.  
 Infusion of Dandelion.  
 Infusion of Digitalis.  
 Infusion of Ginger.  
 Infusion of Hops.  
 Infusion of Juniper.  
 Infusion of Pareira Brava.  
 Infusion of Quassia.  
 Infusion of Red Cinchona.  
 Infusion of Rhatany.  
 Infusion of Rhubarb.  
 Infusion of Sage.  
 Infusion of Senna.  
 Infusion of Serpentaria.  
 Infusion of Spigelia.  
 Infusion of Tar.  
 Infusion of Thoroughwort.  
 Infusion of Tobacco.  
 Infusion of Valerian.  
 Infusion of Wild-cherry.  
 Infusion of Yellow Cinchona.  
 Iodide of Ammonium.  
 Iodide of Arsenic.  
 Iodide of Lead.  
 Iodide of Potassium.  
 Iodide of Sulphur.  
 Iodine.  
 Iodine Ointment.  
 Iodoform.  
 Ipecacuanha.  
 Ipecacuanha Spurge.  
 Irish Moss.  
 Iron.  
 Iron Plaster.  
 Isinglass.

## J

Jalap.  
 Juice of Conium.  
 Juice of Dandelion.  
 Juniper.

## K

Kameela.  
 Kino.  
 Koosso.

## L

Lactate of Iron.  
 Lactic Acid.  
 Lactucarium.  
 Lard.  
 Large-flowering Spurge.

Larkspur.  
 Lavender.  
 Lead Plaster.  
 Lead Water.  
 Lemon Juice.  
 Lemon Peel.  
 Leptandra.  
 Levant Wormseed.  
 Lime.  
 Lime Liniment.  
 Lime-water.  
 Liniment of Aconite.  
 Liniment of Ammonia.  
 Liniment of Camphor.  
 Liniment of Cantharides.  
 Liniment of Chloroform.  
 Liniment of Subacetate of Lead.  
 Liniment of Turpentine.  
 Liquorice.  
 Liquorice Root.  
 Liverwort.  
 Lobelia.  
 Logwood.  
 Lupulin.  
 Lycopodium.

## M

Mace.  
 Madder.  
 Magnesia.  
 Magnolia.  
 Male Fern.  
 Manna.  
 Marble.  
 Marsh Rosemary.  
 Marshmallow.  
 Mastic.  
 Matico.  
 May-apple.  
 May-weed.  
 Mercurial Ointment.  
 Mercurial Plaster.  
 Mercury.  
 Mercury with Chalk.  
 Mezereon.  
 Mezereon Ointment.  
 Mixture of Citrate of Potassium.  
 Molasses.  
 Morphia.  
 Mucilage of Gum Arabic.  
 Mucilage of Sassafras Pith.  
 Mucilage of Slippery-elm Bark.  
 Mucilage of Tragacanth.  
 Muriate of Morphia.  
 Muriatic Acid.  
 Musk.  
 Mustard Paper.  
 Myrrh.

## N

Nitrate Ammonium.

Nitrate of Lead.  
 Nitrate of Potassium.  
 Nitrate of Silver.  
 Nitrate of Sodium.  
 Nitric Acid.  
 Nitromuriatic Acid.  
 Nutgall.  
 Nutmeg.  
 Nux Vomica.

## O

Oatmeal.  
 Oil of Amber.  
 Oil of Anise.  
 Oil of Bergamot.  
 Oil of Bitter Almond.  
 Oil of Cajeput.  
 Oil of Camphor.  
 Oil of Canada Erigeron.  
 Oil of Caraway.  
 Oil of Ceylon Cinnamon.  
 Oil of Cinnamon.  
 Oil of Cloves.  
 Oil of Copaiba.  
 Oil of Cubeb.  
 Oil of Fennel.  
 Oil of Gaultheria.  
 Oil of Hedeoma.  
 Oil of Horsemint.  
 Oil of Juniper.  
 Oil of Lavender.  
 Oil of Lemon.  
 Oil of Nutmeg.  
 Oil of Origanum.  
 Oil of Peppermint.  
 Oil of Pimento.  
 Oil of Rose.  
 Oil of Rosemary.  
 Oil of Rue.  
 Oil of Sassafras.  
 Oil of Savine.  
 Oil of Spearmint.  
 Oil of Theobroma.  
 Oil of Thyme.  
 Oil of Tobacco.  
 Oil of Turpentine.  
 Oil of Valerian.  
 Oil of Wormseed.  
 Ointment (Simple).  
 Ointment of Ammoniated Mercury.  
 Ointment of Belladonna.  
 Ointment of Benzoin.  
 Ointment of Cantharides.  
 Ointment of Carbolic Acid.  
 Ointment of Carbonate of Lead.  
 Ointment of Creosote.  
 Ointment of Iodide of Lead.  
 Ointment of Iodide of Potassium.  
 Ointment of Iodide of Sulphur.

Ointment of Nitrate of Mercury.  
 Ointment of Nutgall.  
 Ointment of Oxide of Zinc.  
 Ointment of Red Iodide of Mercury.  
 Ointment of Red Oxide of Mercury.  
 Ointment of Rose Water.  
 Ointment of Tannic Acid.  
 Ointment of Yellow Oxide of Mercury.  
 Oleoresin of Black Pepper.  
 Oleoresin of Capsicum.  
 Oleoresin of Cubeb.  
 Oleoresin of Fern.  
 Oleoresin of Ginger.  
 Oleoresin of Lupulin.  
 Olive Oil.  
 Opium.  
 Opium Plaster.  
 Orange Flowers.  
 Orange Flower Water.  
 Oxalate of Cerium.  
 Oxalate of Iron.  
 Oxalic Acid.  
 Oxide of Antimony.  
 Oxide of Lead.  
 Oxide of Silver.  
 Oxide of Zinc.  
 Oxysulphuret of Antimony (Kermes Mineral).  
 Oyster-shell.

## P

Pale Cinchona.  
 Pale Rose.  
 Pareira Brava.  
 Parsley.  
 Pellitory.  
 Peppermint.  
 Peppermint Water.  
 Permanganate of Potassium.  
 Persimmon.  
 Phosphate of Iron.  
 Phosphate of Sodium.  
 Phosphorus.  
 Pill of Carbonate of Iron.  
 Pills of Aloes.  
 Pills of Aloes and Assafetida.  
 Pills of Aloes and Mastic.  
 Pills of Aloes and Myrrh.  
 Pills of Assafetida.  
 Pills of Copaiba.  
 Pills of Iodide of Iron.  
 Pills of Mercury.  
 Pills of Opium.  
 Pills of Rhubarb.  
 Pills of Sulphate of Quinia.  
 Pipsissewa.  
 Plaster of Ammoniac with Mercury.  
 Plaster of Pitch with Cantharides.

Poison-Oak.  
 Poke Berry.  
 Poke Root.  
 Pomegranate Rind.  
 Poppy.  
 Port Wine.  
 Potassa.  
 Potassa with Lime.  
 Powder with Aloes & Canella.  
 Precipitated Carbonate of Calcium.  
 Precipitated Carbonate of Iron.  
 Precipitated Carbonate of Zinc.  
 Precipitated Phosphate of Calcium.  
 Precipitated Sulphur.  
 Prepared Chalk.  
 Prepared Oyster-shell.  
 Prickly Ash.  
 Prune.  
 Pumpkin Seed.  
 Pure Carbonate of Potassium.  
 Pure Prussian Blue.  
 Purging Cassia.  
 Purified Aloes.  
 Purified Animal Charcoal.  
 Purified Chloride of Ammonium.  
 Purified Chloroform.  
 Pyrophosphate of Iron.  
 Pyroxylon (Soluble Gun-Cotton).

## Q

Quassia.  
 Quince Seed.  
 Quinia.

## R

Raisins.  
 Rectified Oil of Amber.  
 Red Cedar.  
 Red Cinchona.  
 Red Iodide of Mercury.  
 Red Oxide of Mercury.  
 Red Rose.  
 Red Saunders.  
 Red Sulphuret of Mercury.  
 Reduced Iron.  
 Resin.  
 Resin Cerate.  
 Resin of Jalap.  
 Resin of May-Apple.  
 Resin of Scammony.  
 Resin Plaster.  
 Rhatany.  
 Rhubarb.  
 Rosemary.  
 Rose Water.  
 Round-leaved Dogwood.  
 Rue.

## S

Sabbatia.  
 Safflower.  
 Sage.  
 Sago.  
 Santonin.  
 Sarsaparilla.  
 Sassafras.  
 Sassafras Pith.  
 Savine.  
 Savine Cerate.  
 Scammony.  
 Scullcap.  
 Seneka.  
 Senna.  
 Serpentaria.  
 Sherry Wine.  
 Silver.  
 Simaruba.  
 Slippery-elm Bark.  
 Soap.  
 Soap Cerate.  
 Soap Liniment.  
 Soap Plaster.  
 Socotrine Aloes.  
 Soda.  
 Solution of Acetate of Ammonia.  
 Solution of Ammonia.  
 Solution of Arseniate of Sodium.  
 Solution of Arsenite of Potassium.  
 Solution of Chloride of Arsenic.  
 Solution of Chloride of Barium.  
 Solution of Chloride of Calcium.  
 Solution of Chloride of Iron.  
 Solution of Chloride of Zinc.  
 Solution of Chlorinated Soda.  
 Solution of Citrate of Iron.  
 Solution of Citrate of Magnesium.  
 Solution of Citrate of Potassium.  
 Solution of Gutta-percha.  
 Solution of Iodide of Arsenic and Mercury.  
 Solution of Lime.  
 Solution of Nitrate of Iron.  
 Solution of Nitrate of Mercury.  
 Solution of Permanganate of Potassium.  
 Solution of Persulphate of Iron.  
 Solution of Potassa.  
 Solution of Soda.  
 Solution of Subacetate of Lead.  
 Solution of Sulphate of Morphia.  
 Solution of Tersulphate of Iron.

Spearmint.  
 Spearmint Water.  
 Spermaceti.  
 Spermaceti Cerate.  
 Spigelia.  
 Spirit of Ammonia.  
 Spirit of Anise.  
 Spirit of Camphor.  
 Spirit of Chloroform.  
 Spirit of Cinnamon.  
 Spirit of Juniper.  
 Spirit of Lavender.  
 Spirit of Lemon.  
 Spirit of Nitrous Ether.  
 Spirit of Nutmeg.  
 Spirit of Peppermint.  
 Spirit of Spearmint.  
 Squill.  
 Starch.  
 Stillingia.  
 Storax.  
 Stramonium Leaves.  
 Stramonium Ointment.  
 Stramonium Seed.  
 Stronger Alcohol.  
 Stronger Ether.  
 Stronger Water of Ammonia.  
 Strychnia.  
 Subacetate of Copper.  
 Subcarbonate of Bismuth.  
 Subcarbonate of Iron.  
 Sublimed Sulphur.  
 Subnitrate of Bismuth.  
 Suet.  
 Sugar.  
 Sugar of Milk.  
 Sulphate of Aluminum.  
 Sulphate of Aluminum and Potassium.  
 Sulphate of Ammonium.  
 Sulphate of Atropia.  
 Sulphate of Cadmium.  
 Sulphate of Cinchonia.  
 Sulphate of Copper.  
 Sulphate of Iron.  
 Sulphate of Iron and Ammonium.  
 Sulphate of Magnesium.  
 Sulphate of Manganese.  
 Sulphate of Morphia.  
 Sulphate of Potassium.  
 Sulphate of Quinia.  
 Sulphate of Sodium.  
 Sulphate of Strychnia.  
 Sulphate of Zinc.  
 Sulphite of Potassium.  
 Sulphite of Sodium.  
 Sulphur Ointment.  
 Sulphureted Antimony.  
 Sulphuret of Antimony.  
 Sulphuret of Iron.  
 Sulphuret of Potassium.  
 Sulphuric Acid.  
 Sulphurous Acid.  
 Sumach.

Suppositories of Aloes.  
 Suppositories of Assafetida.  
 Suppositories of Belladonna.  
 Suppositories of Carbolic Acid.  
 Suppositories of Lead.  
 Suppositories of Lead and Opium.  
 Suppositories of Opium.  
 Suppositories of Morphia.  
 Suppositories of Tannic Acid.  
 Swamp Dogwood.  
 Sweet Almond.  
 Sweet Orange Peel.  
 Syrup (Simple).  
 Syrup of Almond.  
 Syrup of Blackberry.  
 Syrup of Citric Acid.  
 Syrup of Garlic.  
 Syrup of Ginger.  
 Syrup of Gum Arabic.  
 Syrup of Iodide of Iron.  
 Syrup of Ipecacuanha.  
 Syrup of Lactucarium.  
 Syrup of Lemon.  
 Syrup of Orange Flowers.  
 Syrup of Orange Peel.  
 Syrup of Red Rose.  
 Syrup of Rhatany.  
 Syrup of Rhubarb.  
 Syrup of Seneka.  
 Syrup of Squill.  
 Syrup of Tolu.  
 Syrup of Wild-cherry.

## T

Tamarind.  
 Tannic Acid.  
 Tansy.  
 Tapioca.  
 Tar.  
 Tar Ointment.  
 Tar Water.  
 Tartaric Acid.  
 Tartrate of Antimony and Potassium.  
 Tartrate of Iron and Ammonium.  
 Tartrate of Iron and Potassium.  
 Tartrate of Potassium.  
 Tartrate of Potassium and Sodium.  
 Thoroughwort.  
 Tincture of Aconite Root.  
 Tincture of Aloes.  
 Tincture of Aloes and Myrrh.  
 Tincture of American Hellebore.  
 Tincture of Arnica.  
 Tincture of Assafetida.  
 Tincture of Belladonna.  
 Tincture of Benzoin.  
 Tincture of Black Hellebore.

Tincture of Bloodroot.  
 Tincture of Cantharides.  
 Tincture of Capsicum.  
 Tincture of Cardamom.  
 Tincture of Castor.  
 Tincture of Catechu.  
 Tincture of Chloride of Iron.  
 Tincture of Cinchona.

 Yellow Wax.  
 Yellow-root.

2. Please add to this list any drug or pharmaceutical preparation not in the above list, which *in your experience* has proved to be a useful therapeutical agent.

3. a. Please state if in your opinion it would be advisable to name in the new edition of the United States Pharmacopœia the maximum safe dose of each remedy.  
 (Please answer yes or no).

b. Or whether some mark should be added by the prescribing physician to emphasize a larger dose.  
 (Please answer yes or no).

4. Whether in your opinion it would be advisable to express each dose in both the present *and* metrical system of weights and measures. (Please answer yes or no.)

5. Please state any further suggestions here, and as concisely as possible.
